ADVANCED PRACTICE REGISTERED NURSE LICENSURE APPLICATION

The information and evidence you are asked to provide on this application is authorized by Minnesota Statutes and will be used to determine your eligibility and/or qualifications for the license for which you are applying; enable us to contact you when necessary; identify you and comply with certain federal and state reporting requirements. Minnesota Statute Sec. 270C.72 requires applicants to provide their Social Security number and Minnesota business identification number on all license applications.

Until you are issued a license, all data submitted on the application, except your name and address, are considered private data and will not be released to anyone other than Board of Nursing staff and its agents. When you become licensed, all data submitted on the application, except social security number and responses to grounds for denial questions, become public record. Some or all of the data may be given to the Commissioner of Revenue, the Legislative Auditor, in response to a court order, or others in accordance with statutes, rules and professional standards.

You are legally required to submit true and complete information. Furnishing the requested information means the information may be provided to parties listed above. Refusal to supply information may result in denial of a license. Falsification or omission of information may be used by the Board as a basis for disciplinary action.
